

## **Interior Scaler/Weighmaster – Full Time Employment Opportunity**

**The Place:** The Lillooet BC Woodlands Division of Aspen Planers is currently accepting resumes for a full time position as the divisions Interior Scaler.

**The Position:** Aspen Planers Ltd. is seeking a dynamic, self-motivated, team-orientated individual to serve as an Interior Scaler. This is a permanent, full-time position working under the direct supervision of the company's Scaling Manager. You will work in concert with the Operations and Log Yard departments in our Merritt and Lillooet Woodlands Divisions to build log yard inventories for the companies lumber and veneer milling facilities.

### **Job Description:**

- Stick scale ministry samples, red tag, and company use loads accurately to ministry and company standards.
- Operate the Lillooet weigh scales and timber weighing software diligently while maintaining good, accurate scale data.
- The Log Scaler shall conduct interior scaling duties to ensure successful performance of the Scale Site Authorization conditions and to address and rectify any non-compliance issues in a timely manner.
- Ensure that all scale data and submissions are free of error, complete and accurate.
- Maintain and continuously improve upon a strong understanding of the Interior Scaling System.
- Provide feedback to the Scaling Manager on information required to prepare and submit the annual sample plan.
- Ensure all interior scaling operations meet applicable government and company standards and to maximize the benefits allowed under those programs.
- Provide support to the log yard on an as need basis.

### **Preferred Qualifications:**

- Must have an active interior scaling license and weighmaster certificate with minimum 2 years' experience.
- Working knowledge and understanding of current Interior Scaling and Weighmaster legislation.
- Excellent communication, interpersonal, and organization skills, with the ability to work independently and as part of a team in a changing environment.
- Experience running heavy equipment will be considered an asset. If necessary training is available.

Salary range for this position is between \$70,000 and \$85,000 per year based on experience and education. Entry level candidates are encouraged to apply. Training is available.
